SWO Fall Retreat Success

About 40 women gathered at Butman Methodist Camp outside of Merkel, TX the second weekend of October for mission, fellowship, and study. The bi-annual retreat was relaxing and rejuvenating. On Friday, women traveled from all over the Northern Texas-Northern Louisiana Synod to delve into the theme, "God's Undivided Neighborhood."

Pastor Leslie Dunlap welcomed everyone as they flattened and cut plastic grocery bags, hooked loops together to make plarn, and crocheted the plarn into 3'x6' mats for the homeless ministry of Abilene. The weekend work produced 14-15 mats.

Pastor Deb Loudin-McCann was our worship leader. She helped everyone loosen up drums and other rhythm instruments. She also shared about her ministry with homeless LGBTQ teens and young adults in the Deep Ellum area of Dallas. Pastor Deb also led the Bible study, challenging participants to define their neighborhoods, using I Corinthians 12:4-31 to define the gifts within unity and diversity, giving a fresh perspective on the parable of the good Samaritan.

Other speakers included Pastor Diane Eggemeyer from Miles speaking about their food bank and the diverse community with whom they get to interact and Pastor Irma Banales speaking about being intentional in mixing our synod events with the Latino congregations. Pastor Irma and several women from various Latino congregations shared about their experiences with transitioning and bilingual congregations.

An in kind offering of personal care kits supplies were brought by attendants. After lunch on Saturday, gallon bags were filled with personal care items, snacks, and water. The Blessing bags were sent to Abilene to be distributed to the homeless.

President's Message

When I was a young child time seemed to pass SOOOOO slowly. Five minutes seemed like an hour and the three-month summer vacation from school seemed to last FOREVER. However, now that I am an adult it seems like there is never enough hours in the day to accomplish everything that I need to get done.

Unlike our mothers, most women now work outside the home. This means that by the time most women work an eight-hour work-day, come home, fix dinner for the family, help the kids with homework, get the kids ready for bed, do a little housework (a load of laundry or two), it leaves little to no time for a woman to relax and just be a woman. Believe me I know what I'm talking about because this has been my life for the past 35 years.

I also know that if a woman doesn't take time for herself, time to relax, time to feel like a woman, eventually, she will get burned out and lose her zest for living.

Looking for a way to temporarily get away from the daily routine, a way to relax, a way to refresh your attitude, a way to make new friends, as well as a way to strengthen your relationship with God? Well I think I have the solution for you. The Eleventh Women of the ELCA Triennial Convention and Gathering which is being held in Phoenix, AZ July 14-19.

The Triennial Convention will be held July 14-16 and is when the business of our organization will be handled which will include electing a new WELCA President and Board. The Triennial Gathering, which will be held July 16-19, includes a multitude of activities. There will be exhibits and vendors offering a ton of information. There will be a choice of about six day-tours/trips that you can take and get to know more about the Phoenix area. There will also be a Run, Walk, Roll activity to benefit the WELCA health initiative, Raising Up Healthy Women and Girls.

Sound like fun? If so now is the time to register so that you won't miss out on any of the fun. Early Bird registration is now open and continues thru Jan. 6, 2020 at a base cost of \$325.00 (Trips and other activities are available at an additional cost). After Jan. 6, 2020 the price increases to a base cost of \$375.00 and is available thru June 9, 2020. Where can you register and get more information? You can register on line at welcatg.org or, if you prefer, you can print out a registration form from this same web site and mail it in. In addition, on this same web site you can also order Lands' End clothing items embroidered with the Triennial Logo.

Be sure and act now so you won't miss any of the fun.

HOPE TO SEE YOU IN PHOENIX!!!!

NT-NL Synod Convention special guest to celebrate the ordination of women

The year 2020 will be the 50th anniversary for ordination of women in the Lutheran church. At synod assembly next year, we would like to have a special artist come and present her work on women in the Old Testament. Her name is Sarah Novenston. The cost is about \$4000. We are looking for funds to help defray the costs. Please consider having your church donate. In addition, a special service will be held and we would like as many women as possible to attend. Watch for more details as to time and place. Contact Sandra Gass to let her know if and how much you choose to donate. Her email address is gass@att.net.

Past Events

Women's/Girl's Retreat

Thirty women and one man from several congregations attended this event at Our Redeemer, Grand Prairie on August 17. The event was sponsored by the Women of the ELCA groups of Lord of Life, Glenn Height, New Life in Christ, Duncanville and Our Redeemer. The Rev. Dr. Kendra Mohn, lead pastor of Trinity, Fort Worth, led the group in an in-depth study of the book of Esther. She highlighted the culture and history of the time Esther lived in and encouraged the audience to find themselves in the text. A freewill offering was taken for Freedom House, located in Weaterford, a ministry that works with women and children which brought in \$200.

The closing worship was led by Pastor Yvonne Kiebler and Pastor Suzanne Guinn played the music. Breakfast treats were provided by New Life in Christ, lunch by Our Redeemer and desserts by Lord of Life of Life.

Conference Coordinators

The NT-NL Synod conferences are ELCA congregations grouped together from Northern Louisiana to Eastern New Mexico and Southern Oklahoma to Central Texas. Each conference within the NT-NL Synodical Women's Organization has a conference coordinator to work with the congregational unit leader in each of the congregations. The conference coordinators facilitate sharing information between congregations themselves and between the NT-NL SWO and the congregations.

The Conference Coordinators are listed below for the conferences. Ideally, it would be good to have a coordinator for all of the conferences. If you live in one of these conferences and have info/questions, please contact your coordinator. If the below information needs to be updated, let the board know.
